

## THE WINE LIST

People have been enjoying the world's finest wines at Palace Restaurant for half a century. Over the years, the restaurant has become known as the forerunner of Finnish gastronomy as well as the cradle of wine culture. Its view that opens from the windows of Eteläranta 10 has served as the scene of many important decisions made whilst enjoying several glasses of champagne.

This view served as a great inspiration when we created the base for the winecellar of Palace where the rising stars of wine scenery meet the classics. The result is a combination of a respect towards the history of Palace restaurant and our courage to break the rules of traditional wine pairing.
